Overview - What is it?

Storyboard That is a cutting edge HTML 5 website to create storyboards. Storyboards are great to supplement a classroom activity for book reports, history lessons, creative writing or practicing a foreign language.

Created with Storyboard That for Mrs. Reardon

Digital Storytelling in Your Classroom

Storyboard That has engaging class activities for your classroom

The New Salem High School c1905.

The Salem High School lawn sign was taken from the 1905 school to the current Salem High School in 1970.

The New Salem High School c1905

*Salem High School over the main entrance. Became the grammar school in 1915; demolished in 1974.
